“JOIN US FOR OUR FIRST ANNIVERSARY”

This day, June 23, 2016 marks a special day. We officially hit the road with our first food truck to introduce authentic Himalayan region food in Washington DC metro area. We ventured in this field to spread the goodness of Himalayan food called ‘momos’. Our recipes are traditional with authentic ingredients, enjoyed for generations in the Himalayan Region. MOMO’s are popularly known as dumplings and is a favorite finger food of people in Nepal. We feel that the name Himalayan Soul Foods captures the essence of our creations. We believe in serving authentic Himalayan cuisine. With all of your support, encouragement, and suggestions, we hope that you can join us to celebrate our first anniversary.
